Idaho Governor Candidate Steve Bradshaw's Visit to The Mar-a-Lago Club

May 3, 2022, Idaho Governor Candidate Steve Bradshaw was graciously invited to join in the event at The Mar-a-Lago Club hosted by The 45th President of The United States Donald J. Trump. The event was in support of Mark Finchem Candidate for Arizona Secretary of State. The evening was great, and it made for great interactions and conversations with Mark's supporters from across the nation. President Trump graciously called me up on stage, introduced me and the race I'm in to the guests in attendance. During the course of the evening, I was invited up with three other Pastors on stage to pray. The entire evening was an incredible event and experience and it's my hope Mark Finchem will become the next Arizona Secretary of State.

It is time to *ROAR!*
